Professional Prints, Portable Power

Ink-Free

Long-lasting
Battery

High-Quality
Printing

Palm-Sized

GG-TD810

Dual-Mode Printing Flexibility

Experience the best of both worlds with our thermal and thermal transfer dual-mode printer. This versatile device allows you to adapt to various labeling needs, from quick and simple thermal printing to high-quality, durable thermal transfer printing.

Pocket-Sized Powerhouse

Incredibly compact and lightweight, our printer is designed for portability. The long-lasting battery ensures you can print on the go without worrying about power outages.

Hassle-Free Ribbon Replacement

Enjoy a seamless ribbon replacement experience. Our printer features a simple and intuitive design that makes changing ribbons quick and easy, minimizing downtime and maximizing productivity.

Superior Print Quality

Our imported print head delivers exceptional print clarity and precision. With our printer, you can be assured of crisp, legible, and professional-looking labels every time.

Specifications

Printing	Printing Technology	Direct Thermal, Heat Transfer
	Resolution	300 dpi
	Print Speed	11 mm/sec(max)
	Interface	USB, Bluetooth
	Bluetooth Frequency	2400 - 2484 MHZ
	Print Width	216 mm(max)
Media	Type	Thermal paper, A4 plain copy paper
	Width	15 mm
	Paper Cutting	Manual
Power	Battery Capacity	1300 mAh
	Input Voltage	5V, 2A
	Charging	USB charging
Temperature & Humidity	Operating Environment:	Temperature: 0°C to 45°C Humidity: 20% to 90% RH (no condensation)
	Storage Environment	Temperature: -10°C to 60°C Humidity: 10% to 95% RH (no condensation)
Physical Properties	Dimensions	315 × 67 × 44 mm
	Weight	670 g
Print Cycles	Print Life	50,000 meters, print density 12.5%

Applications

Media Type	Description	Width(mm)	Total Length/ Roll(m/ft)	Page yield	Color
Ribbon	Wax thermal transfer ribbon	MAX 217(8.54")	MAX 23.2(76.12')	70 ~ 75	Black
Letter/A4	Copy paper	210 x 297 mm	80g/m2	500/ream	White
